Mark,

I attached your advanced trip that took place in April as well. For the second advance, there were many changes at the last minute so the attached email was the plan we executed involving the Bologna advanced trip. The attached doc with the title "EPA Advance" can be used as the places we scouted before the Administrator arrived, just changing the dates and removing the Cemetery and Baseball event. Hope this helps.

Hi Mark,

I was with a NASA delegation and am traveling to speak in Gaeta tomorrow. I'm about to dash, but did a quick search and couldn't find it.

Lee, can you please dig deeper and find an electronic copy of the EPA G7 Advance Team schedule?

Many thanks,

Hi Ex. 6 - Personal Privacy

EPA's Inspector General has requested the final schedule for the ADVANCE team in Rome and Bologna. I remember there had been several versions. Would your office have an electronic copy of the final version that I can provide to the Inspector General?

Thanks, Mark
